was there once a continent in the pacific called lemuria or pacifica by geologists and mu or pan by the mystics there is now ample mythological geological and archaeological evidence to prove that an advanced and ancient civilization once lived in the central pacific maverick archaeologist and explorer david hatcher childress combs the indian ocean australia and the pacific in search of the astonishing truth about mankind s past

before atlantis there was lemuria no one is certain as to when this civilization existed but an educated guess is around 300 000 bc it was a time when people began to live in communities and build shelters by the sea for water was very sacred to them the lemurians were a highly spiritual people and practiced equality as it has never been practiced since everyone was equal regardless of what labor they provided for the welfare and comfort of everyone else there was a council of elders wise men

and women who offered advice and suggestions to those asking for help but even this group had no jurisdiction over anyone else in their village the lemurians possessed a group mind where no individuality existed or was even thought about and where no one belonged to anyone else even children did not belong to their mothers but to everyone residing in the community the concept of marriage and family simply did not exist no one owned anything either land homes and even possessions belonged to everyone in the community it was also a matriarchal society where women were highly respected and had an equal voice with men learning about their lifestyle and culture it quickly becomes apparent that modern humans would have a difficult time understanding the people of this ancient civilization yet it is important for humans of today to learn about lemuria as this shift in thinking in consciousness that is permeating the world is actually a return to this kind loving compassionate lemurian energy the whole world is now slowly stepping up or ascending into this higher vibrational energy of love as exhibited by the earth's first civilization namely lemuria

a compelling new portrait of the lost realm of lemuria the original motherland of humanity contains the most extensive and up to date archaeological research on lemuria reveals a lost ancient technology in some respects more advanced than modern science provides evidence that the perennial philosophies have their origin in lemurian culture before the indonesian tsunami or hurricane katrina's destruction of new orleans there was the destruction of lemuria oral tradition in polynesia recounts the story of a splendid kingdom that was carried to the bottom of the sea by a mighty warrior wave a tsunami this lost realm has been cited in numerous other indigenous traditions spanning the globe from australia to asia to the coasts of both south and north america it was known as lemuria or mu a vast realm of islands and archipelagoes that once sprawled across the pacific ocean relying on 10 years of research and extensive travel frank joseph offers a compelling picture of this mother land of humanity which he suggests was the original garden of eden using recent deep sea archaeological finds enigmatic glyphs and symbols and ancient records shared by cultures divided by great distances that document the story of this sunken world joseph painstakingly re-creates a picture of this civilization in which people lived in rare harmony and possessed a sophisticated technology that allowed them to harness the weather defy gravity and conduct genetic investigations far beyond what is possible today when disaster struck lemuria the survivors made their way to other parts of the world incorporating their scientific and mystical skills into the existing cultures of asia polynesia and the americas totem poles of the pacific northwest architecture in china the colossal stone statues on easter island and even the perennial philosophies all reveal their kinship to this now vanished civilization

in the year 2012 the earth awaits a super catastrophe its magnetic field will turn over in one go phenomenal earthquakes and tidal waves will completely destroy our civilisation europe and north america will shift thousands of kilometres northwards

into polar climate nearly the whole earth's population will perish in the apocalyptic happenings these dire predictions stem from mayans and egyptians descendants of the legendary atlantis the atlanteans had highly evolved astronomical knowledge and were able to exactly calculate the previous world wide flood in 9792 bc they built tens of thousands of mandjits and escaped to south america and egypt in the year 2012 venus orion and several other stars will take the same code positions as in 9792 bc the year of the previous cataclysm for thousands of years historical sources have told of a forgotten time capsule of ancient wisdom located in a mythical labyrinth of secret chambers filled with artefacts and documents from the previous flood this book gives one possible location

this exploration shows how natural forces affect our behavior how they can be used to enhance our health and well being and ultimately how they bring us closer to penetrating one of the deepest mysteries being explored

was there a advanced prehistoric civilization in ancient egypt who were the people who built the great pyramids and carved the great sphinx did the pyramids serve as energy devices and not as tombs for kings independent egyptologist stephen s mehlert has spent over 30 years researching the answers to these questions and believes the answers are yes an indigenous oral tradition still exists in egypt and mehlert has been able to uncover and study it with the help of a living master of this tradition abd1el hakim awyan he has also been given permission to share these teachings presented heretofore in fragments by other researchers to the western world teachings that unfold a whole new understanding of ancient egypt publisher's description

g fields and ufos

shirley andrews author of atlantis insights from a lost civilization combines her own research with the data of scholars scientists and respected psychics to offer a look into the little known details about the lost continent of lemuria and its relationship to atlantis

technology of the gods lays out the mind bending evidence that long lost civilizations had attained and even exceeded our modern level of advancement westerners have been taught that humankind has progressed along a straight line path from the primitive past to the proficient present but the hard fast evidence literally written in stone proves that the ancients had technologies we cannot even replicate today
